pixidesign

cool things are happenin'

"pixi" designs all types of printed materials including brochures, posters, corporate identity, CD packaging, books, newsletters, conference materials, promotional campaigns, web design and more. Whether it's government contracts or grassroots campaigns we enjoy a wide range of clients. We provide design solutions for everyone from recording artists to local business owners—there's never a dull moment at pixidesign!

As partners with 30 years combined award-winning experience, our goal is to provide you with quality design that meets your objective and truly reflects you and your organization's individual style.

pixidesign service highlights:

- *Estimating, tracking and scheduling skills keep your project on time and on budget ensuring your dollars are well spent*
- *Fully-equipped studio with the latest software*
- *Collaborations with a multitude of vendors: (printing companies, writers, illustrators, programmers, photographers, etc.) enable us to oversee projects of every size, from simple to complex*
- *Conveniently located in downtown Takoma Park, MD near Metro and 1 block from Washington DC*
